Mousea Boy for the m

In the case of Meog v. Randolpi (77 Ala. p. 638) the supreme court Alabama, Mr. Justice Summerville, del ering the opinion, said:

"I am satisfied that fifty days means fifty legislative working days, exclusive of Sundays and other days upon which the senate and house concur in refusion to sit by joint resolution of adjourn ment. This has been repeatedly con sidered by the judiciary committees of the senate and house of representatives at successive sersions of the general ar sembly, since the adoption of the con stitution; and their reports concurrin in this view, have in each instance, beer scopted by those bodies. Even if we regard the question a doubtful one, w would hesitate to depart from the legislative construction of the funda consequences which would necessarily time was president of Vassar college follow from it. The right to adjourn ad libitum upon certain week days, and Miss Alta Sickles, daughter of Gor the right to draw pay for such days, are Daniel Sickles by his first wife, elope not necessarily dependent, the one on with Thomas Dinham, a barkeepe the other. The power to adjourn may at New Rachelle, and they were married tive powers as has been argued before
